

### Join us for Chamber Day 2011 - May 4th, 2011

Help support the [USC Catalina Hyperbaric Chamber](http://www.uscatalinahyperbaric.com) in its 37th year of service to the Southern California Diving Communities.

Chamber Day 2011 ([www.ChamberDay.org](http://www.ChamberDay.org)) is only a month away. The 23<sup>rd</sup> annual Chamber Day and 13<sup>th</sup> annual Chamber Evening Fund Raiser for the USC Catalina Hyperbaric Chamber will be held on Wednesday May 4<sup>th</sup>.

For the past 37 years the USC Catalina Hyperbaric Chamber has been dedicated to the treatment of diving accidents on a 24/7/365 basis. Having the Chamber available gives divers in Southern California waters a vital safety net in the event of a diving accident.

The Chamber's contract from LA County provides a little over 50% of the Chamber's annual budget needs. The annual Chamber Day contributions from divers, clubs, shops, manufacturers, organizations, publications and dive boat operators provide a significant portion of the remaining budget.

These funds go to covering transportation of Chamber Volunteers to and from the mainland, treatment gas, equipment purchases, maintenance, and repairs.

If you haven't already signed up for Chamber Day 2011 there are many ways you can participate:
